## ObamaCare cost\$

Penalizing doctors who want to routinely order the PSA blood test is just one more example of how the government is trying to dictate medical decision-making by shifting the financial responsibility to the patient ("War on Men: Bam's New Cancer Policy," Betsy McCaughey, PostOpinion, Nov. 25).

Those patients who value their health will have no problem digging in their pockets for the \$25 in-office Medicare fee to have the PSA test result in 11 minutes flat.
