Ignoring Biden Scandals: Silence on Hunter Probes

THE ISSUE: The media and Democrats' lack of response to the investigations into the Biden family.

• Thank you to The Post for your due diligence regarding the Biden family corruption investigation ("Conspiracy of Silence," July 7).

As a former criminal investigator, I applaud you on your tenacity in seeking the truth. I only wish and the government would support you in your endeavors. The honest people in this country appreciate your work in exposing a corrupt career politician.

President Biden is an individual who has used his position to line his and his family's pockets. Stay the course.

• It's hard to blame White House Press Secretary Karine Jean-Pierre for answering only 2% of the questions put to her this year about President Biden's scandals, since she is not responsible for creating the debacles that she is left to defend.

However, there is something to be said about self-respect and dignity. When the press secretary puts herself in front of the "firing squad" day in and day out, yet lacks any ability to defend the indefensi-

ruption," July 7).

But this is hardly some prodigal son tale. It's a story about the insatiable greed of a corrupt family, featuring the "big guy" and his bagman son. And the subplot is how the leg-slumped media has shredded journalistic standards and sunk to the level of Pravda-like entities.

able, maybe it's time to call it quits.

What is clear to everyone is that transparency will never be a hallmark of this administration.

It's been an exercise in futility for a press corps simply trying to do its job by asking the questions that need to be asked.
